**SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT**

Dear Sir:

In accordance with applicants' duty of disclosure under 37 C.F.R. §1.56, please find attached hereto form PTO-1449 listing information which may be material to the patentability of this application, filed **January 30, 2004**.

37 C.F.R. 1.98 does not require a copy of U.S. patents or published U.S. patent applications to be included with an information disclosure statement. Accordingly, Applicant is not including a copy of any U.S. patent or published U.S. patent application.

We are enclosing copies of the non-U.S. references listed in the attached Form PTO-1449.

It should be understood that attention has been called to the references that have been deemed to be pertinent to the claimed present invention. In concluding what was pertinent, the criteria employed was considered most appropriate in light of the invention shown in the present application. However, the Examiner or others may deem some other criteria to be just as appropriate or more appropriate. Therefore, the Examiner is respectfully urged to review the listed references and to make the usual careful independent search for other prior art that may be pertinent.

**CERTIFICATE UNDER 37 C.F.R. §1.97(e) FOR FILING I.D.S.**

This paper contains only an IDS in compliance with 37 C.F.R. §§ 1.97 and 1.98. Each item of information contained in the present Information Disclosure Statement was cited in a communication from a foreign patent office in a counterpart foreign application not more than three months prior to the filing of the present Information Disclosure Statement.

Dear Mark:

We are enclosing a copy of the Information Disclosure  
Statement (IDS) and related papers that we filed earlier today  
with the United States Patent and Trademark Office in the above-  
identified application.

We will advise once we hear anything further with regard to  
this application.

Best regards.

Very truly yours,
